Subject: State Water Drought Buffer for Oceano Community Services District (OCSD)

Dear Mr. Hutchinson,

At their June 8, 2016 Board meeting, the OCSD Board approved participating in the State Water Drought Buffer program and execution of an agreement for 750 acre feet per year. The purpose of this letter is to formally request that an agreement be provided, consistent with drought buffer agreements executed on behalf of other State Water Sub-Contractors, for final approval by OCSD.

Thank you for your assistance in this matter.

Sincerely,

A handwritten signature in blue ink, which appears to read "Paavo Ogren".
